

DEAR MANAGERS

OF SUPERMARKETS AND RETAIL STORES IN AUSTRALIA

PLEASE BUY AND STOCK ONLY SLAVERY FREE CHOCOLATE FOR EASTER 2017

ACRATH Australia-wide is raising awareness of supermarkets and stores that stock slavery free chocolate and is encouraging people to buy from them.

Most of the chocolate sold in Australia is made from cocoa from plantations in the West Coast of Africa. Children as young as 12 pick the cocoa beans. Some of these children are trafficked, most work in dangerous conditions without any possibility of attending school.

Customers don't want to buy chocolate produced using child labour. Please be one of the shops that sells only slavery free chocolate.

MAKE A STAND FOR JUSTICE BY STOCKING CHOCOLATES WITH THESE LABELS FOR EASTER 2017

WE LOOK FORWARD TO YOUR SUPPORT
